Help stop the spread of COVID-19 in Edinburgh

Get COVID-19 tests to use at home or work

Regular testing helps identify people who have the virus – it's quick, easy and safe.

If you have no symptoms please test twice a week using a Lateral Flow Test (LFT) Kit - you can test at home or at work.

If you have symptoms or if you get a positive lateral flow result you **must** self-isolate and book a PCR test. You can do this **online** or by calling the National Testing Centre on **119**.

Lateral Flow Test Kits can be collected from:
- Volunteer Centre Edinburgh, 222 Leith Walk, Edinburgh EH6 5EQ
- Lothian Association of Youth Clubs (LAYC), 7 Boroughloch Lane, Edinburgh, EH8 9NL
- Your local pharmacy

Lateral Flow Test Kits can be ordered from:
- UK Government website
- Calling 119

You can also visit a community test site or a mobile test unit, more details here

Reporting your results

Please remember to report your results - positive or negative - online or by calling 119.

Easy Read instructions for home testing can be found here

V1.0 approved by NHS Lothian Patient Information Team, Sept 2021. Review date, Sept 2024
