

## Yellow bin instructions

### Every Yellow Box must be labelled with:

1. Contents i.e.
  - a. Anatomical waste or
  - b. Lab waste or
  - c. Suction waste or
  - d. Other waste for incineration
2. Name of the producing department
3. Date bin closed

These details should be written clearly on the side using an indelible marker.

Bins without these details will not be collected from the department

All liquid waste must be disposed of in a Griff Grip bin

**Order details: Item 533000 - 60 litre + Item 535005 yellow lid**
