

# I'm getting my hearing tested today!

1.   done

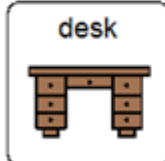

I will go to a special building.

2. 

I will go up lots of stairs or take the lift to level 1.

3. 

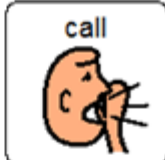

I will go along the corridor.

4. 

I will go to the desk and let them know I am ready for my hearing test.

5. 

I may get a short time in the waiting room to colour in or play.

6. 

When it is my turn for my hearing test, a man or lady will call my name.

7. 

I will go into the room and sit on Mummy or Daddy's knee while they answer some questions.

8. 

Next, they may look in my ears with special tools – which is tickly!

9. 

I will then get to listen to noises and play fun games!

10. 

If I do a good job I may get a sticker! Then it is time to go home.
