

# Playing Two-Way Module 1

## Introduction

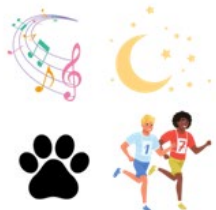

---

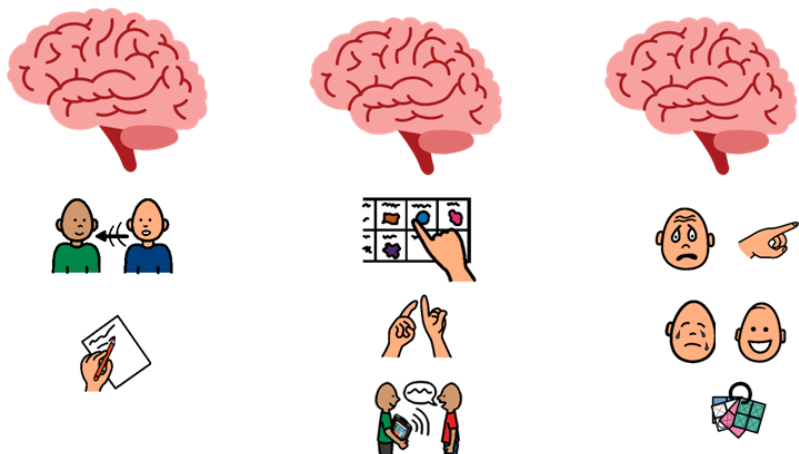

## Children and Young People's Speech and Language Therapy

For us to thrive, just like plants, our environment and needs must be met consistently

Remember, all types of communication are valid...

How do you communicate with your child?

Talk at a natural, yet slow pace

Use sing-songy voice in single words and short phrases

Use visuals

## Think about these key points...

How does my child communicate?

---

---

---

Why do they communicate?

---

---

---

Are they an analytical or gestalt language processor?

---

---

---

Who do they play with?

---

---

---

---

How do they play?
